

Plan of proposed stage 2 Subdivision  
cancelling Lot 2 on proposed stage 1

Note:  
This plan has been prepared as a proposed lot reconfiguration only and should not be used for any other purpose. The dimensions, areas and total number of lots shown hereon are subject to field survey requirements  
of council and any other authority which may have requirements under any relevant legislation. In particular no reliance should be placed on the information shown hereon for any financial dealings involving the subject land.  
This Note is an integral part of this plan.
